

AN ACT RELATING TO CRYPTOCURRENCY; AMENDING EXEMPT TRANSACTIONS FROM CERTAIN SECURITIES LAW; ALLOWING CERTAIN DIGITAL TRANSACTIONS; AMENDING SECTION 30-10-105, MCA; AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 30-10-105, MCA, is amended to read:

**"30-10-105. Exempt transactions -- rulemaking.** Except as expressly provided in this section, 30-10-201 through 30-10-207 and 30-10-211 do not apply to the following transactions:

(1) a nonissuer isolated transaction, whether effected through a broker-dealer or not. A transaction is presumed to be isolated if it is one of not more than three transactions during the prior 12-month period.

(2) (a) a nonissuer distribution of an outstanding security by a broker-dealer registered pursuant to 30-10-201 if:

(i) quotations for the securities to be offered or sold or the securities issuable upon exercise of any warrant or right to purchase or subscribe to the securities are reported by the automated quotations system operated by the national association of securities dealers, inc., or by any other quotation system approved by the commissioner by rule; or

(ii) the security has a fixed maturity or a fixed interest or dividend provision and there has not been a default during the current fiscal year or within the 3 preceding fiscal years or if the issuer and any predecessors have been in existence for less than 3 years and there has not been a default in the payment of principal, interest, or dividends on the security.

(b) The commissioner may by order deny or revoke the exemption specified in subsection (2)(a) with respect to a specific security. Upon the entry of an order, the commissioner shall promptly notify all registered broker-dealers that it has been entered and give the reasons for the order and shall notify them that within 15 days of the receipt of a written request, the matter will be set for hearing. If a hearing is not requested and is not ordered by the commissioner, the order remains in effect until it is modified or vacated by the commissioner. If

a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order or extend it until final determination. An order under this subsection may not operate retroactively. A person may not be considered to have violated parts 1 through 3 of this chapter by reason of any offer or sale effected after the entry of an order under this subsection if the person sustains the burden of proof that the person did not know and in the exercise of reasonable care could not have known of the order.

(3) a nonissuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy, but the commissioner may require that the customer acknowledge upon a specified form that the sale was unsolicited and that a signed copy of each form be preserved by the broker-dealer for a specified period;

(4) a transaction between the issuer or other person on whose behalf the offering is made and an underwriter or between underwriters;

(5) a transaction by an executor, administrator, sheriff, marshal, receiver, trustee in bankruptcy, guardian, or conservator in the performance of official duties;

(6) a transaction executed by a bona fide pledgee without any purpose of evading parts 1 through 3 of this chapter;

(7) an offer or sale to a bank, savings institution, trust company, insurance company, investment company as defined in the Investment Company Act of 1940, pension or profit-sharing trust, or other financial institution or institutional buyer or to a broker-dealer, whether the purchaser is acting for itself or in a fiduciary capacity;

(8) (a) a transaction pursuant to an offer made in this state directed by the offeror to not more than 10 persons, other than those designated in subsection (7), during any period of 12 consecutive months, if:

(i) the seller reasonably believes that all the buyers are purchasing for investment; and

(ii) a commission or other remuneration is not paid or given directly or indirectly for soliciting a prospective buyer. However, a commission may be paid to a registered broker-dealer if the securities involved are registered with the United States securities and exchange commission under the federal Securities Act of 1933, as amended.

(b) a transaction pursuant to an offer made in this state directed by the offeror to not more than 25 persons, other than those designated in subsection (7), during any period of 12 consecutive months if:

(i) the seller reasonably believes that all the buyers are purchasing for investment;

(ii) a commission or other remuneration is not paid or given directly or indirectly for soliciting a prospective buyer; however, a commission may be paid to a registered broker-dealer if the securities involved are registered with the United States securities and exchange commission under the federal Securities Act of 1933, as amended; and

(iii) the offeror applies for and obtains the written approval of the commissioner prior to making any offers in this state and pays a filing fee that must accompany the application for approval. The commissioner may deny an application.

(c) a transaction pursuant to an offer made in this state by an offeror that is used in conjunction with the exemption found in subsection (8)(a) and the offeror has applied to the commissioner to use the exemption found in subsection (8)(b) in conjunction with or in addition to the exemption in subsection (8)(a), which the commissioner may allow if:

(i) the offeror has its corporate headquarters or principal place of business in this state;

(ii) the seller reasonably believes that all the buyers are purchasing for investment;

(iii) a commission or other remuneration is not paid or given directly or indirectly for soliciting a prospective buyer; however, a commission may be paid to a registered broker-dealer if the securities involved are registered with the United States securities and exchange commission under the federal Securities Act of 1933, as amended; and

(iv) the offeror applies for and obtains the written approval of the commissioner prior to making any offers in addition to the offers made pursuant to subsection (8)(a) and pays a filing fee that must accompany the application for approval. The commissioner may deny the application.

(d) For the purpose of the exemptions provided for in this subsection (8), an offer to sell is made in this state, whether or not the offeror or any of the offerees are then present in this state, if the offer either originates from this state or is directed by the offeror to this state and received at the place to which it is directed or at any post office in this state in the case of a mailed offer.

(9) an offer or sale of a preorganization certificate or subscription if:

(a) a commission or other remuneration is not paid or given directly or indirectly for soliciting a prospective subscriber;

(10) a transaction pursuant to an offer to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, nontransferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if:

(a) a commission or other remuneration, other than a standby commission, is not paid or given directly or indirectly for soliciting any security holder in this state; or

(b) the issuer first files a notice specifying the terms of the offer and the commissioner does not by order disallow either subsection (10)(a) or the notice specifying the terms of the offer;

(11) an offer, but not a sale, of a security for which registration statements have been filed under both parts 1 through 3 of this chapter and the Securities Act of 1933 if a stop, refusal, denial, suspension, or revocation order is not in effect and a public proceeding or examination looking toward an order is not pending under either law;

(12) an offer, but not a sale, of a security for which a registration statement has been filed under parts 1 through 3 of this chapter and the commissioner does not disallow the offer in writing within 10 days of the filing;

(13) the issuance of a security dividend, whether the corporation distributing the dividend is the issuer of the security or not, if nothing of value is given by security holders for the distribution other than the surrender of a right to a cash dividend when the security holder can elect to take a dividend in cash or in securities;

(14) a transaction incident to a right of conversion, a statutory or judicially approved reclassification, or a recapitalization, reorganization, quasi-reorganization, stock split, reverse stock split, merger, consolidation, or sale of assets;

(15) a transaction in compliance with rules that the commissioner may adopt to serve the purposes of 30-10-102. The commissioner may require that 30-10-201 through 30-10-207 and 30-10-211 apply to any transactional exemptions adopted by rule.

(a) involves the purchase of one or more precious metals;

(b) requires, and under which the purchaser receives within 7 calendar days after payment in good funds of any portion of the purchase price, physical delivery of the quantity of the precious metals purchased. For the purposes of this subsection, physical delivery is considered to have occurred if, within the 7-day period, the quantity of precious metals, whether in specifically segregated or fungible bulk, purchased by the payment is delivered into the possession of a depository, other than the seller, that:

(i) (A) is a financial institution, meaning a bank, savings institution, or trust company organized under or supervised pursuant to the laws of the United States or of this state;

(A) liens of the purchaser;

(B) tax liens;

(C) liens agreed to by the purchaser; or

(D) liens of the depository for fees and expenses that previously have been disclosed to the purchaser.

(c) requires the quantity of precious metals purchased and delivered into the possession of a depository, as provided in subsection (18)(b), to be physically located within Montana at all times after the 7-day delivery period provided in subsection (18)(b), and the precious metals are in fact physically located within Montana at all times after that delivery period;

(19) a transaction involving a commodity investment contract solely between persons engaged in producing, processing, using commercially, or handling as merchants each commodity subject to the contract or any byproduct of the commodity;

the securities is necessary or incidental to establishing membership in the cooperative association;

(b) a cooperative organized under the laws of another state may not take advantage of the exemption created by this subsection (21) unless, not less than 10 days before the issuance or delivery of the securities, the cooperative has furnished the commissioner with a general written description of the transaction and any other information the commissioner may require by rule or otherwise. The commissioner shall promulgate rules establishing a list of states whose laws are considered substantially the same as Title 35, chapter 15 or 17, for the purposes of this subsection (21).
